# AIR FORCE DISCHARGE REVIEW BOARD DECISIONAL RATIONALE

CASE NUMBER

FD97-00183

GENERAL: The applicant appeals for upgrade of discharge to Honorable.

The applicant was scheduled for a personal appearance before the Discharge Review Board at Dobbins ARB GA on September 1, 1998, but did not respond to formal notification of the hearing and failed to appear without requesting a postponement.

The attached brief contains the available pertinent data on the applicant and the factors leading to the discharge.

FINDINGS: Upgrade of discharge is approved.

The Board finds that neither evidence of record nor that provided by the applicant substantiates an inequity, which would justify a change of discharge. However, based on the record the Board finds that the applicant's character of discharge is improper.

The applicant's issues are listed in the attached brief.

Issue: In review of the record the Board noted that although respondent had over six years of total service at the time discharge was initiated, the notification of discharge failed to advise him of his right to an Administrative Discharge Board (ADB). Failure to provide the applicant notification of the right to an ADB constituted a failure to provide full due process to the member. Therefore, the Board considered this an impropriety, which justified an upgrade of discharge. The Board however does not condone the misconduct committed by the applicant.

None of the applicant's remaining issues will be addressed herein as their resolution in the applicant's favor could not result in greater relief than is being afforded by the board.

CONCLUSIONS: In view of the foregoing findings the Board concludes, unanimously, that there exists a legal or propriety basis for upgrade of discharge to Honorable, i.e., failure to provide due process. The Board felt an Honorable characterization was indicated under the circumstances.

#### Item 8 ISSUE:

I feel that my discharge from the United States Air Force was unjust for the following particulars.

I am a trained and experienced electronics technician. My General Discharge has made it impossible for me to get a job in that area.

I have been forced to take menial and unchallenging jobs not only because of this type of discharge, but also for the impairment that I incurred while on active duty.

I strongly feel that I should have been medically discharged because of my medical condition. Being a burden on society is not the way I choose to go—and it isnnot fair to the able workers.

Additionally, I am unable to use my GI Bill benefits to further myself in my field.

In summary, I request that my discharge be upgraded to Honorable and my benefits restored.
